

NEW SCHOOL TO BE READY FOR USE BY NOV. 15, BOARD IS TOLD

With progress on the new Gettysburg Area Senior High School building well ahead of schedule, the Gettysburg Joint School Committee was assured at its meeting Monday evening at the high school that November 15 continues as the likely completion date. When contracts were awarded January 1, 1963, was the target date for occupancy of the building.

Henry Pettit, the architect's representative on the job, told the school directors the building is 75 to 80 per cent complete. "Cooperation between contractors has been very good throughout the project," he said, and work continues to be 10 to 15 per cent ahead of schedule.

He reported work has begun on parking areas, drives and curbs. Plastering will be completed this week and the laying of the new gymnasium floor began Monday. Painters and electricians are busy as are the heating and plumbing contractors, Pettit said.

MISS KIRK RESIGNS

The board accepted the resignation of Miss Nancy V. Kirk, a home economics teacher at the high school. The directors recommended to the Gettysburg School Authority that the contract for new bleachers for the new high school gymnasium be awarded to the lowest of three bidders, Degler Whiting, Inc., Sinking Springs, Pa., at their offer of \$7,940. The bleachers will be placed at both sides of the gymnasium. Roberts and Meck and Playco Sales were the other bidders. Prices ranged up to \$9,550.

Superintendent of Schools H. Edgar Riegle told the board that at his own request Robert Zeigler will be relieved of duties as director of the senior high school. (Continued On Page 3)

COURT DENIES QUASH MOTION IN SPEED CASE

The Adams County Court Monday handed down an opinion rejecting the motion of Harrison F. Snyder, Littlestown R. 1, to quash the speeding information against him. Snyder was directed to appear before the court for a hearing August 24 at 10 a.m.

The court also disposed of a petition by the justice of the peace in the case to amend her transcript as filed with the clerk of courts.

Snyder was charged with speeding in Littlestown and the charge was placed before Kathryn Geiman, a justice of the peace in Union Twp. At the time, May 1, 1962, there were no justices of the peace actively exercising the duties of magistrate in Littlestown.

ASKS QUASHING

Snyder's attorney asked that the information be quashed for failing to "set forth the jurisdictional fact that no person held the office of justice of the peace in the borough of Littlestown at the time when said information was made."

The justice asked the court for permission to amend her information to contain that statement.

The local court ruled that Superior Court decisions hold that where a case has been appealed to a higher court the jurisdiction of the lower magistrate is a matter for the Commonwealth to prove at the hearing, and not a matter which would be grounds for quashing the information. For the same reason the court held that an amendment to the information would be unnecessary.

As a result, both petitions were denied.

VETS ORGANIZE

A barracks of the World War I Veterans was formed Monday evening at the American Legion home here. The 16 World War I veterans present, elected Associate Judge Clarence Deardorff as temporary chairman of the "Gettysburg Barracks" while J. M. Kline, Biglerville R. 1, was named temporary quartermaster. The group voted to meeting the second and fourth Mondays of the month.

CASHMAN INDUCTED

George Harvey Cashman was inducted into the Army from the local selective service board Monday.

Expect Firemen To End Mopup Tonight

Gettysburg firemen have been asked to "turn out tonight" at the Recreation Park to complete cleaning up the area following last week's festival.

Chairman Robert S. Neary said that as a result of work Monday night by firemen "a good turnout tonight should finish the job."

While Gettysburg and Fairfield firemen had completed their festival of Saturday night, other firemen were engaged in conducting festivals this week. Harney began its annual week-long festival Monday night. Biglerville will begin its festival tonight and continue through Saturday.

ROTARY WILL BRING CIRCUS HERE AUG. 23

Further plans for the appearance of the Mills Brothers Circus here August 23 were outlined Monday evening at a meeting of the Rotary Club at the YWCA.

Tickets were distributed at the same time for the Totem Pole production of "Everybody Loves Opal" which will be sponsored by the club July 30. Clifford B. Snowberger, chairman of the committee in charge of the play, announced that the Rotarians and their guests will dine at the Graefenhagen Inn before the play.

Mark Tice, of the Lebanon Rotary Club, invited the members of the local organization to attend a joint meeting of the Lebanon area clubs July 19 at Lebanon at which the president of Rotary International will be the speaker.

NEW CHAIRMAN
President Clark Smith announced the appointment of Thomas Washburn as chairman of the Youth Committee to replace Gerald Hagemyer who asked to be relieved of the post because of plans to take courses at the University of Pennsylvania this winter.

The vice president, Rev. Robert MacAskill, announced that Julius Swope, chairman of the Gettysburg Fire Department Ambulance Board, assisted by Donald Jacobs, will present a talk and demonstration on the operation of equipment of the ambulance at next Monday's meeting.

The program Monday night consisted of meetings of the various committees to make plans for the year.

FOUST BRIEFS KIWANIS CLUB

Kenneth R. Foust, who represented the local club at the Kiwanis international convention last month in Denver, Colo., reported Monday evening on the convention at the meeting of the local Kiwanis at the Battleground Restaurant.

He reported the following officers elected: Merle H. Tucker, president; Clum Bucher, Bloomington, Ind., vice president; Mel R. Osborne, East York, Ontario, second vice president; Edward B. Moylan Jr., Miami, Fla., treasurer; Nelson O. Fuller, Centreville, Ala.; W. Clyde Glass, Louisville, Ky.; Harold M. Heimbaugh, West Hollywood, Calif.; Ted R. Johnson, Denver, Colo.; Robert F. Weber, Detroit, Mich.; and John E. Wills, East Kildonan, Manitoba, trustees.

President-elect Tucker gave an address using "Freedom Our Individual Responsibility" as his topic. Foust said. There were 17,500 present at the convention. He explained how the six objectives of Kiwanis International, adopted in 1924, have stood since that time. John G. Powers spoke on "World Outlook Today." Robert Montgomery gave a talk on fine arts.

Guests present at Monday's meeting included Rev. Howard Ritterpusch, Halethorpe, Baltimore; William Eisenhart and Wilmer Gross from the Hanover club.

Next week's meeting will be held at the Battleground Restaurant. President Roy Thomas presided.

\$150 Collision On Mt. Carmel Road

Damage totaled \$150 when two cars collided at an intersection on the Mt. Carmel Rd. at 6:25 o'clock this morning.

State police said Hiram Lentz, 56, Orrtanna R. 1, was traveling east on Township Route 350 and Robert L. Staley, 26, South Mountain, was going north on the Mt. Carmel Rd when the two cars crashed in the intersection. Damage to Lentz's coupe was to the right headlight and fender. Damage to Staley's sedan was to the hood, grille and radiator.

No one was injured. Police are continuing their investigation.

GETS PEN TERM FOR GUN FIGHT WITH OFFICERS

Howard Harrison Flickinger, 32, of Monarch St. Extended, Littlestown, was sentenced to from 2½ to 5 years in the state penitentiary this morning on two charges of assault with intent to kill and aggravated assault and battery.

Flickinger engaged in a night long battle with police June 17 starting at 12:30 a.m. that Sunday morning when Littlestown Policeman John G. Hemler and Dean Yealy, 25, of Littlestown, went to the home where Flickinger was staying and were met with shotgun and rifle blasts from the man.

Flickinger retired to the barn and silo and held off police until about 9 o'clock that morning when a tank from the Hanover National Guard unit was moved in to permit tear gas to be thrown into the barn. Flickinger then surrendered.

DRIVER SENTENCED

During the night long "battle" Flickinger also wounded State Policeman Charles J. Todd.

The court sentenced him to 2½ to 5 years on the one charge, and confiscated his firearms. He was given 2½ to 5 years on the other charge with the sentences to run concurrently. In line with the usual procedure he was sentenced to the Eastern Diagnostic Center and then to whatever institution that center may send him.

Frederick Altice, Aspers, was sentenced to 30 days in jail, starting June 19, the day he was arrested, on a charge of driving while under the influence. He was also ordered to pay \$100 for the use of the county and the costs.

Altice was also sentenced to 30 days in jail on a hit and run charge with that 30 days to begin at the expiration of the sentence on the driving while under the influence charge.

SENTENCE SUSPENDED

Robert E. Reese and John B. Reese, both of Fairfield R. 1, were each sentenced to from 30 days to one year in the county jail, starting June 27, on charges of burglary and larceny and malicious mischief. They were also directed to pay the costs and make restitution totaling \$33.

Paul F. Markle, New Oxford R. 1, was given a suspended sentence on a charge of driving a car while his operator's license was suspended. He was also directed to pay \$150 for the use of the county and pay the costs and was placed on probation for one month during which he is to pay the fine and costs.

The nonstop charge against Kermit J. Smith, Abbottstown R. 1, was continued for six months, to be terminated at the end of (Continued On Page 2)

Three Committees For Lions Named

Presiding at his first meeting of the new club year, President Kenneth Dengler appointed three standing committees of the local Lions Club and promised to make the other committee assignments soon. The Lions met at the VFW home at 6 p.m. Monday.

During a brief business session, it was announced that payments had been made from the Charity fund totaling \$32.80 for glasses for local residents. A letter from the state Department of Highways in response to a club protest against erection of large route signs over the main streets at Lincoln Square advised the club that the signs are being held up and decision regarding them rests with the town council.

The committee assignments include the following: Finance and budget, J. Herbert Weikert, Robert Smith, J. B. Collins and E. J. Nowicki; Stewards' Committee, Richard Folkenroth, Fred Sanders, T. D. Hay, C. Ross Shuman and Thomas Metz, and Attendance, Jack Oyler, T. D. Hay, Robert Smith and Thomas Gibbons.

A meeting of the club's board of directors followed the club session.

Will Demonstrate Cherry Tree Shaker

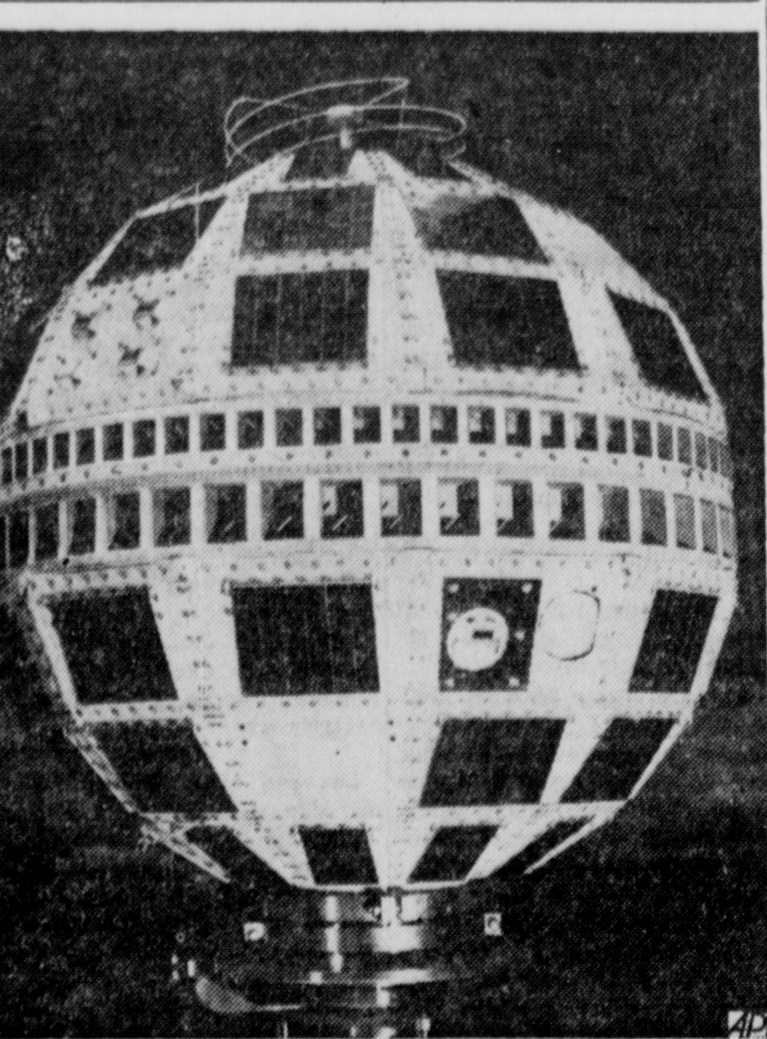

Adams County fruitgrowers will have an opportunity to see the new mechanical cherry picker being used this year as an experiment by the C. H. Musselman Co., County Agent Frank S. Zettie said today.

The demonstration will be held Thursday evening between 6:30 and 8:30 o'clock in the Cherry Vale Orchard of the C. H. Musselman Co., one mile west of Flora Dale on the Quaker Valley Rd. In event of rain, the demonstration will be held Friday at the same hours.

The mechanical device "shakes" the trees and catches the fruit as it falls, Zettie explained.

Telstar Satellite

This is the Bell System's Telstar experimental communications satellite which was launched by NASA from Cape Canaveral this morning. The 170-pound Telstar is designed to serve as a microwave relay in space to transmit test telephone conversations, data and television signals across oceans. It is powered by 3,600 solar cells which obtain energy from the sun. At top is a helical antenna to transmit tracking signals. Girdling center are two antennas, the upper receiving on 6390 megacycles and the lower sending on 4170 megacycles. (AP Wirephoto)

Switchboard Satellite Is In Orbit With Officials Eying Beamed TV Tonight

By HOWARD BENEDICT
CAPE CANAVERAL, Fla. (AP) — A "switchboard" satellite rocketed into orbit today as a possible first step toward a space relay system for swift, worldwide transmission of radio, telephone and television signals.

The National Aeronautics and Space Administration announced at 6:35 a.m. EST that the complex Telstar satellite was in orbit. It thundered away from Cape Canaveral at 3:35 a.m. atop a towering three-stage Thor-Delta rocket.

Officials scheduled the first communications experiments with the satellite tonight and if all goes well, American television viewers this evening will see the first live TV pictures beamed by satellite.

RELAY POINT
Within two weeks, Telstar may serve as a relay point for the first live transatlantic television show and a number of telephone and radio experiments between the United States and western Europe.

The Thor-Delta, logging its 10th straight satellite-launching success, blasted off exactly on schedule.

The exact orbital path was not immediately known but NASA officials said preliminary indications are that it would be close to the course that was sought — 575 to 3,450 miles above the earth. Officials said the orbiting time around the earth was two hours and 36 minutes.

SWEAT OUT SUCCESS

Scientists now must wait out the long hours until tonight before they can get an idea how successful the Telstar might be. The satellite is to be in position about 6 p.m. EST, for the first test to determine how effectively the vehicle can serve as a communication transfer point.

If the initial trials are successful, the three major U.S. television networks plan to pipe the program into American homes tonight.

Officials of AT&T said they hoped to conduct their first test transmissions to the satellite on the fifth orbit, about 12 hours after launch.

Ready To Declare Some Pa. Counties Disaster Areas; Chiefly In North

HARRISBURG (AP)—The U.S. Agriculture Department was reported ready today to declare a number of Pennsylvania's drought stricken farm counties disaster areas, making them eligible for special federal aid.

State administration sources said the region which would figure most strongly in any such move by U.S. Agriculture Secretary Orville L. Freeman would be northern tier counties.

Pennsylvania's northern counties' agriculture centers on the dairy industry, which has been particularly hard-hit by the drought. Without rain, pastures have shriveled resulting in an increase in hay prices.

COMMITTEE MEETS

The report of the action by the Agriculture Department came as the state Disaster Committee converged on Harrisburg to decide what should be done about the drought.

Committee Chairman Howard Porter, East Millsboro R. 1,

HAROLD BLAIR NEW FAIRFIELD SCHOOL CHIEF

Harold R. Blair, Camp Hill, for the last three years elementary principal in the West Shore Joint School System, was elected as the new supervising principal of the Fairfield Joint School System at a recessed meeting of the joint school district's board of directors Monday evening at Fairfield.

The 48-year-old educator, who will succeed George B. Inskip in the Fairfield post, will take up his duties August 1. His starting salary will be \$8,100.

Mr. Inskip resigned about six weeks ago and last week began his duties as the new assistant county superintendent of schools.

UNANIMOUS CHOICE

Blair's election was unanimous after the board received a report from its teacher committee on applicants it had screened for the board. Joseph P. Lowe presided at the meeting.

The new supervising principal, who is married and the father of one child, was graduated from Slippery Rock State College and did additional work at Clarion and Edinboro State Colleges. He was awarded his master's degree by Bucknell University. He has also had special courses in civil and petroleum engineering, commercial law and public speaking.

His school teaching career began in Pine Grove Twp. schools and he taught in Conewago Twp. and Muncy Joint School System before going to the West Shore System in 1959. He also lists experience in geological survey, laboratory technology, exploratory drilling and payroll auditing.

Architects' representatives appeared before the board to give a progress report on plans for the proposed addition to the Fairfield school and arrangements were made for a special meeting July 30 when plans are to be finalized and preparations made for advertising for bids.

Charles W. Wolf told the board that its building project will come under provisions of the new Prevailing Wage Act, the legality of which is now being tested in Lancaster County.

INLAND PLANT, 42 EMPLOYEES TAKE AWARDS

Special recognition was accorded 36 factory workers and six supervisors of Inland Container Corporation's Biglerville plant for completing five years of production without an accident of any type. J. R. Summer, production manager of the Biglerville plant, also accepted a safety trophy on behalf of Inland's Biglerville employees from F. A. King, administrative manager of Inland's Paper Products Division, for completion of a full year of operation without lost time due to accidents.

Employees who will receive five-year-accident awards are Daniel Ball, Wilbert Beamer, Darby Bender, Purcell Bohrer, Lloyd Carbaugh, John A. Cline, Grace Emlet, Guy Emlet, Victor Emlet, Guy R. Fidler, Mary B. Fissell, Jewell Gantz, Roy Guise, Harry Hartman, Calvin Heintzelman, Paul Heller, Robert Heller, Richard Hess, Fred Hinkle, William McCauslin, Robert McClell, Nelson McKinney, John Mickle, Harold Rexroth, Martha Rexroth, Richard Rummel, William Sanders, Kenneth Sease, Donald Shaffer, Arvela Shreve, William Sites, J. Ralph Stoner, Charles Swope, Robert Watson, Franklin Weigle and Mike Wertz.

Supervisors listed are George A. Eckenrode, Baxter P. Harmon, Dale A. Hoffman, Harvey P. Kluck, James R. Plank and Owen P. Shinharn.

The Biglerville plant has been owned and operated by Inland for the past seven years and has manufactured well over 150 million containers for industrial and agricultural products. Shipping containers for wholesale and retail fresh fruit and vegetables are marketed by Inland's special division, the Rice, Trew and Rice Company. Thus, virtually all types of items produced in the Biglerville area are being shipped to market places throughout the United States in containers bearing the stamp: "Inland Container Corporation, Biglerville, Pa."

Inland Container Corporation operates three kraft mills in the south and 19 container plants strategically located throughout the nation. The company presently serves the shipping container requirements of more than 7,000 American companies.

Fractures Ankle In Baseball Game

A 13-year-old Littlestown area youth suffered a broken right ankle while sliding into home plate during an exhibition baseball game at Hanover Monday.

Admitted to Hanover General Hospital was Bruce Crouse, son of Mr. and Mrs. Walter Crouse, Littlestown R. 1, a member of the Windsor Shoe team of the Littlestown Pony League.

Crouse's team was playing the Hanover Exchange Club team of the Hanover Service League when the mishap occurred.

ZETTLE URGES CORN SILAGE SUBSTITUTION

With the drought wiping out much of the hay, farmers of the county are hoping for rain in time to permit them to substitute corn silage for the grass, according to remarks of County Agent Frank Zettie at Monday evening's meeting of the local members of the Southeastern Pennsylvania Artificial Breeding Cooperative at Pines Church picnic grove near New Chester.

Zettie told the 170 dairymen and their families that due to the roughage shortage caused by the drought, he recommended use of corn silage as a substitute for hay. A rain in the near future should permit a "satisfactory" corn crop, Zettie said.

Cautioning that if corn is used the grain ration balance need be changed from that used when hay is provided, Zettie said that some farmers may want to erect temporary silos, using snow fencing or shallow trenches, to store the corn silage needed to replace the hay.

RAINS COULD HELP

Rain still can cut down some need for use of corn — it the rains come soon enough — Zettie said. He said that third cutting of alfalfa will be possible if the rains arrive quickly enough.

Two county farmers, Rodman C. Thompson, East Berlin R. 1, and Otis Livingston, Abbottstown R. 1, were the winners in the dairy judging contest held as part of the picnic meeting. Both received prizes.

William Massa, district manager for the Artificial Breeding Cooperative, said the Guernseys judged were provided by Henry Kneller, New Oxford R. D., and that the animals were a "fine example of the progress that Adams County dairymen are making in improving their herds."

Jonas Gruver, Thomasville, was the judge for the contest. Earl Noel, McSherrystown, a director of the SPABC, presided at the meeting.

Glenn Peffer, Carlisle R. 6, described his feeding and management program which he said contributed to his present herd average of 603 pounds of butterfat per cow.

CHARLES SMITH DIES MONDAY

Charles Smith, 61, Aspers R. 1, died at 12:10 a.m. Monday in Lancaster General Hospital of injuries received in an automobile accident on July 1.

The deceased suffered multiple injuries including chest complications and a fractured left leg and right foot when his car veered off the Lincoln Highway east of Lancaster and struck a utility pole near Leamon Place early on the morning of July 1. An autopsy ordered by the coroner to determine whether the accident and resulting death could have been caused by a stroke was held Monday but reports were inconclusive. Additional tests are being carried on.

He was the husband of Mrs. Ida Mae Smith and was employed at the York Springs fruit farm of William Lott.

Surviving besides his widow are these stepchildren: Mrs. Catherine Thomas, Chambersburg; Mrs. Christine Bates, Long Island, N. Y.; Mrs. Mary King, Mt. Holly Springs; Mrs. Gloria McGhee, Biglerville; Mrs. Rose Atterbury, Mt. Holly Springs; Willie J. King, Trenton, N.J., and Robert King, Orlando, Fla.

Funeral arrangements by the Wilkerson Funeral Home, 502 S. Christian St., Lancaster, are incomplete.

STRUCK BY DIVER

Mrs. Chester Jarvis, 42, Seven Stars, was reported in a satisfactory condition today at the Warner Hospital where she was admitted Sunday suffering cerebral concussion after being struck by James Madsen, 14, 263 Springs Ave., when he dived into the Gettysburg Country Club swimming pool.

DEVELOPMENT COMPANY CASE WILL RESUME ON THURSDAY

Hearing on the petition by William S. Ayre and Francis L. Sanders that the Steinwehr Development Corporation be dissolved will continue Thursday morning at 9:30 o'clock the Adams County court decreed Monday at 5 p.m.

When the court "day" closed, Judge W. C. Sheely asked the attorneys involved when they wished to continue the case. All agreed on Thursday. Attorney Edward B. Bulleit, representing Ayre, and Attorney John Purcell, of Harrisburg, representing Sanders, said they have only a few more witnesses to present in support of their contention that the corporation should be dissolved. Attorney Daniel E. Teeter, representing the corporation and its directors, S. Blaine Miller, William H. Musser, Joel M. Hill and Orville B. Orner, said he believes the corporation's side of the case can be given on Thursday.

ON STAND 4 HOURS

Musser, secretary of the corporation, was on the stand 4½ hours Monday. Orner, treasurer of the corporation, was on the stand for about an hour. Brief testimony was given Monday afternoon by Sanders, who was assistant secretary of the corporation when he resigned in January. During Monday's session Musser estimated cost of construction of the Howard Johnson Motel, the principal property of Steinwehr Development Corporation, at "between \$500,000 and \$600,000."

There was much discussion of how much stock has been issued by the corporation. The stock records presented at the hearing showed \$123,000 worth of stock issued but testimony of two witnesses showed they had not yet accepted the stock issued to them.

\$100,000 AUTHORIZED

Musser admitted that the company was authorized to issue \$100,000 worth of stock, but said the board had a resolution before it to increase the stock to \$300,000. He said that he, Miller, Hill and Sanders had put an additional \$5,000 apiece into the firm while Orner had installed ice making and other machinery valued at \$3,000.

Musser said that rather than hold notes against the corporation, it was decided that each of those giving \$5,000 should take an additional \$5,000 worth of stock while Orner would receive \$3,000 worth of stock to cover the cost of the machinery.

Sanders and Orner did not pick up their stock, Musser said. Sanders in his testimony claimed he owns \$15,000 worth of stock in the corporation and has a \$5,000 note against it, indicating he did not prefer to exchange the note for the stock. Orner indicated the amount of stock he is to receive in lieu of payment for the machinery has not been settled exactly.

TWO BONDS GIVEN

Testimony showed that of the original \$100,000 worth of stock Ayre owns \$30,000 and Sanders \$15,000. There was no testimony as to the ownership of the remainder of the stock.

Two bonds at six per cent interest have been issued by the corporation, one for \$11,000 due November 1 to Atlas Corporation and one for \$6,000 to Kottcamp and Sons due in December, 1963. (Continued On Page 3)

GUARDSMEN TO GO TO PICKETT

The local National Guard will send an "advance party" Thursday to Camp Pickett, Va., to prepare the way for the main group of the Howitzer Battery which leaves Saturday for its annual two-week long summer encampment.

Captain Donald F. Doersom said the advance detachments from the local unit and from Troop G, Troop E, and Troop H of the 104th Armored Cavalry will leave at 6:45 o'clock Thursday morning.

The local contingent will include Staff Sergeants James S. Carpenter, Larry R. Mummett, and Earl L. Lopper and Privates First Class Michael G. Fuhrman, Donald B. Kump and Thomas H. Reaver.

The advance party will follow Route 15 south through Thurmont and then travel to Culpeper, Va. They will bivouac for the night at Unionville and Friday continue to Camp Pickett.

They will prepare the buildings, equipment and weapons for the rest of the battery and the remainder of the 104th which will leave Saturday morning for Camp Pickett.

WOMAN HURT AT CRASH SITE

A 47-year-old Hanover woman was injured severely when struck by a car Monday while she was standing beside a highway to view the scene where her nephew had been involved in an auto accident Saturday night.

Hilda Brodbeck, Hanover, was listed in serious condition at the Hanover Hospital with two broken legs, multiple cuts of the body and possible internal injuries.

Miss Brodbeck had been driven to the scene where the mishap occurred by a friend, Myrtle M. Deamer, 46 Bair Ave., Hanover, according to Conewago Twp. police who investigated the accident.

Police described the site as located on a curve at the knob of a hill on Oxford Rd. about one mile north of McSherrystown.

Miss Brodbeck was standing near the Deamer car when an auto was driven over the hill by Kerry A. Kirby, 21, of Gettysburg R. 4, police said.

GETS PEN TERM

(Continued From Page 1) that time if not revived meantime. He was given two weeks in which to pay the costs.

PENALTY FOR RACING

The support charge against Harold M. Carson Jr., Fairfield R. 1, was continued to August.

Robert Allen Oaster, 315 Princess St., Littlestown, was ordered to pay \$150 for the use of the state and the costs and turn his license over to the clerk of courts. He was charged with racing with a police vehicle.

Herbert H. Motter, 509 Princess St., Littlestown, was sentenced to 30 days in jail, starting June 7 and ordered to pay the costs on a charge of driving during suspension.

Dennis Lee Herman, Hanover, was ordered to pay \$50 fine for the use of the county and his license was suspended for 60 days. He was charged with violation of the fireworks code.

"VERY FINE," SAYS COURT

The 10 children of Fannie B. McCleaf, before the court on a petition for support of their mother, presented an agreement which the court held "is very fine of you people." Under the plan, nine of the children will pay \$2 per week for the support of the mother to the probation office. The one sister was excused from paying because of services to her mother. When the mother is residing with one of the children he or she will be paid \$3 a week support. The rest goes into a fund by which the probation officer will pay hospital, doctor and oil bills of the mother. When the mother, who receives \$34 a month from social security, resides in her own home, the probation officer will pay her \$8 per week.

Hearings of three summary convictions against Karl Henry Stello, New Oxford R. 2, began this morning and continued into the afternoon. Stello, who is serving as his own attorney, first moved for trial by jury. This was denied. He then moved for change of venue, which was denied. Then the hearing on the three charges began. The testimony indicated this morning that some, if not all, of the charges arose from an auto accident near Mummaburg.

Stello's car was not involved in the accident but several youths appeared to testify that Stello's vehicle forced one of them off the road and his car rolled over. They testified that they watched the Stello car turn off the road after forcing the one vehicle off the highway. Continuing, they found the car which they alleged had forced the one of the road parked in front of Stello's house.

"K" Declares War Danger On Increase

MOSCOW (AP) — Soviet Premier Khrushchev today proposed that Norwegian and Danish or Belgian and Dutch troops replace the forces of the United States, Britain and France in West Berlin.

MOSCOW (AP)—Soviet Premier Khrushchev today warned that the danger of war is increasing and that, unless a disarmament plan is agreed on, "the atoms will start speaking for themselves."

The premier was speaking at the second day's session of the World Peace Congress meeting in the Kremlin.

"Never before have war preparations been carried out on such a gigantic scale," he said.

HINTS NEW DEFENSES

Khrushchev hinted that the Soviet Union has developed an anti-missile rocket.

"With due account of the fact that the Soviet Union was forced to develop in the last few years nuclear weapons of 50, 100 and more megatons, intercontinental rockets, the global rocket which is practically impervious to defense and an antimissile rocket," he said, "it will be seen that the ruling groups of the United States have no reason at all to say that the balance of strength has changed in their favor."

Defense Minister Marshal Rodion Malinovsky asserted last November that the Soviet Union had the means of intercepting enemy rockets. But he did not say whether this meant an antimissile missile had been developed.

GIRL ESCAPES INJURY

Lynda Cockle, 15, of 168 Carlisle St., escaped serious injury at 12:15 o'clock Monday afternoon when the handle of her bicycle struck a parked car and the bicycle and she was thrown toward a gasoline tank truck on Baltimore St., near Middle, according to the borough police report sheet.

Police said the speedy action of John R. Cunningham, Mechanicburg, driver of the truck, in swerving and stopping the truck prevented serious harm to the young woman. Damage to the bike was estimated at \$8.

ATTEND CONVENTION

Prothonotary and Mrs. Herbert W. Miller, Biglerville R. D., left today for Erie where they will attend the convention of the Prothonotaries and Clerk of Court of the state.

Big Stock Rally

On Wall St. Today

NEW YORK (AP)—Wall Street celebrated easier stock market credit today with one of the biggest rallies since the stock plunge this year. Trading was heavy early this afternoon.

Reflecting a strong upsurge in blue chips, the Associated Press average of 60 stocks at noon was up 4.40 at 220.70 with industrials up 6.60, rails up 2.10 and utilities up 2.20.

This came fairly close to the score of the big rebound of Friday, June 15, but was not in the same league with the tremendous recovery of May 29 which followed "Black Monday."

Exuberant buying followed overnight news that the Federal Reserve Board had cut stock margin requirements to 50 per cent from 70 per cent, making it possible to buy \$100 worth of stock for a \$50 down payment.

The Gettysburg Coin Club will hold an auction and show tonight at 8 o'clock at the GAR room, E. Middle St., to which the public is invited.

JAILED OVERNIGHT

STUDY GROUP WILL DISCUSS CW GENERALS

Nearly 100 interested students of Civil War military history, amateur and expert alike, are expected to participate in the fifth annual Civil War Study Group sessions July 22-27, held each year on the Gettysburg College campus. The program this year will feature the respective roles of four Confederate generals who played important parts in the Gettysburg campaign of June-July, 1863.

The sessions will get underway on Sunday evening, July 22, with an illustrated lecture on the Battle of Brandy Station, presented by Col. J. Gay Seaborn. Col. Seaborn will on the next day conduct a tour of the Brandy Station area in Virginia. The group will next trace the Confederate advance into Pennsylvania during the weeks of June, 1863. This two-day tour, led by Col. Harry L. Campbell, will take the party via Front Royal, Winchester, Hagerstown, Greencastle, Chambersburg and Shippensburg, and will end at Gettysburg on Wednesday afternoon, July 25.

Beginning Thursday morning, July 26, lectures on individual Confederate generals will be presented on the campus. Dr. William M. Hassler will lecture on A. P. Hill; Col. Wilbur S. Nye will offer a paper on Richard S. Ewell; Dr. James I. Robertson will speak on James Longstreet; and the series will come to a close on Friday afternoon, July 27, with a paper on Robert E. Lee, offered by Beverly M. Coleman. Each lecture will be followed by a two-hour tour of the Gettysburg Battlefield.

As in the previous four years, the 1962 Civil War Study Group is under the direction of Dr. Robert L. Bloom, professor of history at Gettysburg College. Those interested may obtain further information as to charges and arrangements by writing to Dr. Bloom.

FOREIGN AID'S ENEMIES BUSY

WASHINGTON (AP)—House critics of foreign aid have sharpened their knives over the program and called for major surgery.

They indicated Monday they want to amputate aid to Yugoslavia and Poland, and to cut assistance to India.

The program's supporters countered that such an operation would be dangerous to the health of the aid program which President Kennedy has described as "vital to our security."

The carving would come in the form of amendments to the \$4.7 billion authorization measure.

Debate on the bill was suspended today because of the primary election in Virginia and the major league All-Star game in Washington.

House members paid scant attention Monday to the amounts involved, aiming their major arguments at expected amendments to limit aid to India and to forbid further assistance to any Communist country.

Will Reorganize Public Instruction

HARRISBURG (AP)—The Public Instruction Department will be reorganized under a new plan approved by the State Executive Board.

The Executive Board, an administrative agency made up of various department heads, said in approving the plan Monday the measure is designed to serve the Commonwealth by meeting the changes of progress.

Dr. Charles H. Boehm, superintendent of public instruction, said the new system will give greater emphasis to removal of routine administrative functions from various educational programs.

"ON MAKING FRIENDS"

It's good to have the attributes . . . which tend to gather friends . . . for pleasing personalities . . . pay heavy dividends . . . a friend is truly priceless . . . and so we all should strive . . . to make a new friend every day . . . and old friendships revive . . . some find this rather hard to do . . . for reasons still unknown . . . there always are a certain few . . . who go the way alone . . . but for the most part people try . . . to foster brotherhood . . . because they know deep down inside . . . it is a force for good . . . sincerity and kindness are . . . two of the magic things . . . which act as magnets for mankind . . . from which happiness springs . . . but although making friends is right . . . we must remember this . . . the greatest art is keeping them . . . so cherish friendship's kiss.

County be listed as a disaster area.

Among the benefits of special disaster aid would be: —Authorization for farmers to secure long-term, low-interest loans from the government for farm purposes.

—Possible authorization for hay cut on land in the U.S. soil bank program to be used for feed by farmers afflicted by the drought. Ordinarily, by law growth from land in the soil bank may not be used as a crop.

MANY AREAS HIT

Prolonged dry weather has plagued Pennsylvania farmers for more than two months. Rainfall during the spring and early summer has been far below normal, causing severe curtailment of growth of field crops in many areas.

Urban areas, as well as farms, have been affected by the prolonged dry spell. Many communities have issued requests to citizens to hold down lawn sprinkling and other quantity water use.

So far in July less than a half-inch of rain has fallen in the Commonwealth.

DEVELOPMENT

(Continued From Page 1)

There was some questioning concerning payment of motel bills of directors on vacation. It was explained that the bills were paid only when the director, while vacationing, took with him publicity of the Howard Johnson Motel and met with the manager of the motel to arrange for referrals of guests to the Howard Johnson Motel here. Sanders in his testimony said he had collected on one such bill and said that the directors were allowed to expend up to \$100 a year each for such purposes.

NEEDED \$6,816 MONTHLY

There was much testimony concerning the amount of regular payments that must be made on the debts of the corporation. Musser gave the figure as \$6,816 a month to meet various mortgages. He said that figure did not include the payments to Talcott corporation because S. Blaine Miller has assumed those payments to the company holding the chattel mortgage on the furnishings of the motel when he assumed the lease of the motel on March 1.

Testimony, principally Sanders' and Musser's, showed there had been at least three offers to lease the motel.

One offer was for payment of \$8,500-a-month rental for five years and \$5,500 a month for the next five years. There was Miller's offer, which was accepted, of \$7,500 a month plus taking over for the time being of the chattel mortgage on the furnishings and other payments. Sanders reported a third offer "which was lower than Miller's."

\$12,500 IN ARREARS

It was testified that no written lease agreement has been entered into by Miller and the corporation and that most of the terms outlined by Musser have been agreed to since March 1.

At the time Miller's offer to lease the motel on immediate payment of \$10,000 as of March 1, the corporation was \$12,500 behind in monthly mortgage payments to New York Life Insurance Corporation, Musser said. He added that agreement had been reached to pay New York Life the interest on the arrearage and pay off by December 1 the \$8,255 owed on the principal during the four-months of default.

CROWD LIKES CHRISTIE PLAY

Displaying the true Agatha Christie touch, her play "The Unexpected Guest," which opened at Totem Pole Theater Monday evening, unfolded around a "dead body" on stage for the entire first scene. The packed house, sponsored by the Gettysburg AAUW, was invited at the first intermission to name the killer. William H. Putch, the producer-director, requested members not to spoil the mystery for future audiences by disclosing the identity of the real killer.

Taking place in the attractive decor of the studio of Warwick in South Wales near the Bristol Channel, attractive blonde June Prud'homme as Laura Hardwick and capable Alex Finlayson as Michael Starkwedder, "The Unexpected Guest," carried the burden of the plot.

The 41 people who correctly guessed the murderer were given tickets to "The Thurber Carnival" on July 24.

Putch announced that the Chambersburg Art Association had given seven paintings to the playhouse to be used as draw prizes at each performance this week. Monday evening's oil painting by Olga Patterson, Fayetteville, R. D., bearing a marked sale price of \$50, was won by William M. Lott, Gardners R. 1 fruitgrower.

Bus Contract Is Awarded By Straban

The Straban Twp. School Board at its July meeting Monday evening awarded a new bus contract to Richard E. Miller, R. 6, as the low bidder among three who were seeking the contract for the 36-mile route to begin when schools open in the fall.

Miller offered to provide a new 60-passenger bus at \$18.45 per day. The new bus route will eliminate the necessity for double-tripping by one bus as was done during the last school year, directors said. Otherwise only routine matters came before the board at its meeting before the Joint School committee session. President Hugh C. McIlhenny presided.

OLD CEMETERY

IS RESTORED

Repairs to walls and grave-stones at the Low Dutch Cemetery in Straban Twp. are being made with donations that are being received by Miss Ruth A. McIlhenny, 129 W. Lincoln Ave., who is a member of the Adams County Historical Society's committee on neglected cemeteries.

The Low Dutch Cemetery, which saw its most active years from 1765 to 1792, is enclosed by a stone wall which is being repaired.

The work of repairing the wall and stone markers in the old burial ground is going forward under the direction of Russell Osborn, a descendant of pioneer Dutch families who has ancestors buried there. A part of the expense for the work is provided by the income from a \$600 trust fund established more than 30 years ago and administered by the First National Bank of Gettysburg.

The current appeal is for cash donations to provide enough money for the materials and labor required for the improvements. An initial donation of materials has enabled the work to get underway.

The historical society's neglected cemeteries committee earlier this year arranged for a court petition from Reading Twp. residents asking that the township supervisors be required to keep up the old Round Hill Cemetery, also two centuries old or more. A court order was secured and last month there was a rededication and flag-raising ceremony there.

Bills totaling \$5,201 were ordered paid.

GOING TO CONFERENCE

The directors recommended to the School Authority board that provision be made for blacktopping four small areas on the high school grounds, bordering drives or parking areas. The work will be handled under a change order under the contract for the new building and is to cost \$881.

On the basis of a psychologist's report, the joint school committee postponed admission of a prospective boy.

Supt. announced he plans to attend the 40th annual school administrators' conference at Penn State next week.

SPECIAL MEETING

The monthly report from the First National Bank, the school district treasurer, showed the joint system ended its fiscal year June 30 with a balance of \$19,187 after receipts of \$114,466 and expenditures of \$165,792 in June.

John Reeves, recently appointed director in Freedom Twp. was introduced. He was attending his first Joint School committee meeting. Vice President Robert H. Deardorff presided at the meeting in the absence of President Oren H. Wilson who was in Boston on business. The meeting adjourned at 9:20 p.m.

Announcement was made of a special meeting July 23 when bids on new lighting for the high school athletic field will be opened.

NEW YORK (AP)—Employing or recruiting strikebreakers in a lockout or legitimate strike is illegal now in New York City.

A measure providing fines up to \$1,000, jail terms up to a year, or both, for such actions was signed into law Monday by Deputy Mayor Paul R. Screvane, acting for vacationing Mayor Robert F. Wagner.

Clara Bow Breaks Decade's Seclusion

GLENDAL, Calif. (AP)—Actress Clara Bow, vivacious "It Girl" of the Roaring Twenties, stepped out of a decade of seclusion Monday—at services for her late husband Rex Bell.

A crowd of 150 attended final rites of the former cowboy actor who became lieutenant governor of Nevada and this year the only announced Republican candidate for governor.

He died last Wednesday of a heart attack at the age of 57 after addressing an Independence Day rally in Las Vegas.

Miss Bow, in ill-health for 10 years, looked still striking in a black dress, black shoes, dark glasses and a wide-brimmed black hat. She waved to newsmen and photographers before entering the Church of the Resurrection at Forest Lawn Memorial Park.

Supply Pastor At Spring Grove

The Rev. John Fry, Gettysburg, a retired Lutheran minister, has been named by the consistory of Christ (Roth's) Lutheran Church, Spring Grove, as the full-time supply pastor until a regular minister is named.

The Rev. Mr. Fry has been serving Christ Church and the Lutheran congregation of St. Peter's (Lischey's) Union Church since the Rev. H. Snyder Allenman resigned in January to accept the pastorate at Zion Lutheran Church, Marietta.

Barry Blasts Ike's GOP Citizen Group

By JACK BELL
WASHINGTON (AP)—Sen. Barry Goldwater, R-Ariz., said today only the politically naive believe the newly formed Republican National Citizens Committee will keep hands off party policy and candidate selections.

In a fresh blast at an organization former President Dwight D. Eisenhower heads as honorary chairman, Goldwater questioned whether members of the citizens group are real Republicans.

WHY SETTLE FOR 1 COOL ROOM?

Convert your present Gas heating system for whole-home Gas cooling!

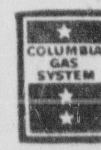

Yes, if you have a forced-air Gas heating system, you can convert it to make your entire home comfortably cool—not just one room.

The furnace ductwork is already there. By simply installing a Gas add-on air conditioning unit to your present forced-air Gas heating system, you get cool, clean, filtered fresh air throughout your entire house.

If you're building a new home, you can

include a combination Gas unit that both cools and heats.

All the comfort, luxury and convenience of Gas air conditioning can be yours for as little as \$8.60 per month. And, because of the special low rate for Gas air conditioning, you'll be surprised at how little it costs to operate. See for yourself. Call your Gas Company air conditioning representative for complete details. No obligation for survey and estimate.

PUSH SAFETY RULES IN PA. STATE PARKS

By FRED WALTERS

HARRISBURG (AP)—The state park system is launching a drive to enforce boating safety regulations, the chief superintendent said today.

Chief among them is the requirement every person riding in a boat on a state park lake must wear a life preserver.

The campaign also is aimed at so-called novelty crafts. The latter specifically include boats made of automobile hoods welded together. In such an improvised craft, a youngster recently lost his life.

ENFORCEMENT PROBLEM

Chief Superintendent Joseph A. Blatt said boating continues to present park personnel with their greatest problems.

Blatt had prepared a circular letter to go out to personnel in all state parks reminding them of the rules.

Still, he admits, enforcement is a problem.

"We don't have enough people to stand by at every launching point to make sure everyone wears a life preserver," Blatt said.

But he reports general public acceptance of the rule prohibiting bathing devices at swimming areas.

NEW STEEL MILL

FAIRLESS HILLS, Pa. (AP)—U.S. Steel Corp. expects to complete by September installation of a \$10 million double cold-reduction mill at its Fairless Hills plant.

The mill is designed to increase speed and efficiency in producing lightweight tinplate, the company said Monday. U.S. Steel is installing similar mills at its Gary, Ind., works and its Geneva works in Utah.

Portraits Of Business Men:

Harry B. Bender, the successful furniture man, was the fourth son of that model citizen and father, John Bender. He had succeeded along another line before going into the furniture business. He entered the COMPILER OFFICE in 1889 to learn the printing trade and after serving his apprenticeship remained with the Compiler until fall of 1896. In the Spring of 1897 he formed a partnership with Chas. S. Mumper in the furniture business. In 1900 Mr. Bender bought out the interest of his partner in the business and has continued it since alone. About 1899 he took up the undertaking business in which he has also succeeded. Mr. Bender is a director in the Reaser Furniture Company and a progressive business man.

Work At Federal Building: The work at the Federal Building on Baltimore St. is so far advanced as to give some conception of the handsome building it will be when completed. The marble walls have been erected on the South and North ends as far as the first story and the front and rear walls are in the course of erection. Portions of the steps on Baltimore St. have been put in place. Three of the bases for the columns have been received and two of them are in place. The columns were as first designed monoliths but on account of the difficulty to get stones of sufficient size and length it has been decided to make the columns in three pieces.

Notable Art Display Of Native: The following notice of the Art Display of the Normal School at Frostburg, Md., which has been under the directorship of Miss Jane Shields of this place, is taken from a recent issue of the Cumberland Daily News. The art department of the Normal School was thrown open to visitors and an unusual display of student's work was exhibited in pencil, charcoal and water color. The attendance of the visitors was especially attracted by the unusual work in original design. Anatomical drawings, maps in water color, model maps and elementary science sheets, the work of the younger classes, was especially interesting to teachers. The exhibit on the whole was characterized by noticeable originality, good work in perspective and exquisitely subdued coloring. Miss Shields is to be congratulated not only for the marked excellence in execution, but for the sense of harmony and artistic effect so successfully introduced into the students' work.

Personals: Grover C. Bream left last week for Chicago to accept a position with the American Bridge Building Co.
Abner S. Mills went to Johns Hopkins Hospital, Baltimore, last week to have his injured arm examined. An x-ray picture was made and it was discovered that Mr. Mills has been suffering with a very severe compound fracture, caused by an accident with the crank of his automobile.
The banns of matrimony were published in St. Francis Xavier Church on Sunday between Edward Eckenrode of Omaha, Neb., and Miss Ella Brinkerhoff of this place.
Among the 256 graduates from the West Chester State Normal School last week were the following from Adams County: Lottie E. Hulick of New Oxford; Carrie Lady of Arendtsville; E. Belle Neely of New Oxford and Mary L. Witherow of Gettysburg.

The essay of Miss Esther Crouse on the topic "The Good Citizen" won for her the Loyalty Pin, which was presented to her at a recent meeting of the Pennsylvania Women's Relief Corps.

Cyclorama: It is expected that a charter will be granted this week to the Gettysburg Battle Picture Association by Governor Tener. Land has been rented of Dr. Walter H. O'Neal on Crosta

Today's Talk

ONE THING

Success is best defined by saying that it is that which brings you happiness and enables you to hand along that happiness to someone else. Better still, to many others.

If money is able to do this, then success is the finest sort of success.

But, unfortunately, money is one of the lesser contributors to happiness. That which enables you to appreciate is something that can never be bought.

How many there are who fail, all too often, to appreciate a friend — until they have divorced all friends from their side.

The one thing to be desired and sought for above all others, I would say, is this: To so live that no one might shed a tear because you are in the world.

What a royal thing it is to do one thing each day that adds beauty and gladness to someone else.

A boy writes his father and says he always has time to write because he has set aside the early hour of a particular day for this purpose, and so, no matter how busy he is, this hour is as much a part of his life as the necessary things he has to do.

He who says he has no time for the little things, such as a letter to a friend, a thank you, here and there, the regular reading of an uplifting book, only cheats himself, and adds deception besides.

There is plenty of time. As one's judgment matures and knowledge increases every hour becomes more valuable, and the man in that hour that much more efficient.

Make each day distinguished by at least one thing — well worthwhile.

Tomorrow Mr. Adams will talk on the subject: "Change"

COURTESY AT THE TOP

A timid old woman pushed open a door,
For lost in the building was she,
And the person she anxiously questioned for
Seemed nowhere about to be.

Disturbed by her coming, a man arose,
But he smiled when he heard her say:
"With so many doors that open and close,
I'm afraid I have lost my way."

"They have sent me here and they've sent me there,
And so busy they seem to be,
I suppose they haven't a minute to spare
For a poor little body like me."

The man said: "Worry yourself no more.
Come, follow along with me
And I'll take you straight to the very door
Of the person you wish to see."

"You're the thoughtfulest man of them all," said she,
As out of the room they went;
And the man replied: "Well, I ought to be!
I'm the company's president."

Father Drowns In Pool Demonstration

ALLENTOWN, Pa. (AP) — Authorities said today an autopsy showed that a man demonstrating to his small sons how to hold their breath underwater accidentally drowned.

Serly Camody, 33, submerged in a shallow pool demonstrating his ability to his sons, Gary, 9, and Bruce, 7. When Camody didn't resurface, the boys thought he was still demonstrating.

Finally, Camody's wife, Mary, came out of their house and discovered he was dead. It was believed at first Camody might have suffered a heart attack.

COMIC-OPERA SENATE-HOUSE BATTLE GROWS

By JACK BELL

WASHINGTON (AP) — A wood-en-swords battle between the Senate and House over how to share the paper hat of command over money bills continued to immobilize a petulant Congress today.

Despite its comic opera aspects, a prestige clash which has prevented final passage of many regular department appropriation bills in six months took on a new note of seriousness after Monday's skirmish.

The House Appropriations Committee rejected a proposed Senate compromise for a study of possible changes in procedures next year. It capped this by adopting, 25 to 2, a resolution accusing the Senate of "consistently advocating large appropriations, increased spending and corresponding deficits."

ROAR OF DISSENT

This brought a roar of dissent in the Senate. Sen. A. Willis Robertson D-Va., said the resolution was the most insulting document one house ever delivered to the other.

A dozen senators said they felt that the very foundations of the two-house form of Congress were being shaken. They vied with each other to back up Robertson in his denial that the Senate is a spend-thrift.

Any new move toward solving the impasse was left up to the octogenarian chairman of the two appropriations committees, Rep. Clarence Cannon, D-Mo., and Sen. Carl Hayden, D-Ariz.

3-MONTH BATTLE

Senate Republican Leader Everett M. Dirksen of Illinois said that as he sized up the situation: "The Senate refuses to become cannon fodder."

The prestige battle began three months ago today with House demands that half of the Senate-House conference meetings on money bills be held on its side of Capitol Hill and that a House member preside at half the sessions. The Senate countered with a demand that it originate half of the money measures.

The only progress made since was a June 18 agreement for meetings to be held in the old Supreme Court chamber, near the middle of the Capitol.

TWO LESSER SHOTS DUE OVER PACIFIC

By ROBERT MYERS

HONOLULU (AP) — The United States probably will set off two more high altitude nuclear explosions at Johnston Island—but they won't pack the punch of Sunday night's hydrogen superblast.

"There's a good possibility there will be two more detonations at the Johnston site before the nuclear test program ends, an Atomic Energy Commission official said. "It all depends on what scientists learn from the first successful explosion."

The official hinted the original plan of three or four high altitude shots still was in effect. He suggested that one of these would be the final test of the spring and summer series.

READY ANOTHER SHOT

He indicated the Christmas Island phase was almost at an end, despite a Joint Task Force 8 directive closing that test zone to ships and planes Monday night. It was understood one of the last shots in the Christmas region was being readied for firing.

Twenty-four nuclear devices have been detonated at Christmas since the test program started April 25. Most of these blasts were at low altitudes.

There was speculation after two earlier attempts at high-altitude detonations failed that he Johnson blasts might be cut off only one or two.

The original schedule included one shot of the megaton range — that was Sunday's firing—and two tests of less than one million tons of TNT. One was to be at an altitude of "hundreds of kilometers," possibly higher than the big blast Sunday.

The megaton success produced a spectacular show as the thermonuclear flash spread across the ocean and lit skies from Auckland, New Zealand, to Hawaii.

American Professor Gives Straight Talk In Moscow

By STANLEY JOHNSON

MOSCOW (AP) — An American political science professor told the Soviet-sponsored World Peace Congress Monday night the Soviet Union is partly to blame for continued nuclear testing.

A member of the U.S. delegation to the congress, Prof. Dale Pontius of Chicago told the 2,000 delegates in the Kremlin Hall of Congresses the Soviet Union was wrong in breaking the test moratorium last Sept. 1.

The congress, stirred to violent reaction by the latest U.S. test blast news, awaited Premier Khrushchev's expected denunciation of the thermonuclear explosion over the Pacific and his possible answer to the attack by Pontius.

PLAN TALK

The 55-year-old educator, who teaches political science at Chicago's Roosevelt University, cited statements of President Kennedy, ex-President Dwight D. Eisenhower and Gen. Douglas MacArthur—all bitterly assailed in the past by Communist spokesmen—to show their preoccupation with peace.

To the chamber which had rung with cries of "atom maniacs" and "warmongers," Pontius had this warning word:

"If you continue calling one power a 'warmonger' or a 'wild beast of imperialism,' epithets used against others without denouncing your own governments when they adopt policies or pursue activities which endanger the peace and safety of the world, you may get emotional satisfaction by one-sided denunciation, but you are not helping the cause of peace."

HITS RED CHINA

"On the other hand we must give up epithets about the socialist countries of the world such as the 'slave world' or 'Iron Curtain countries.'"

He also arraigned Red China, accusing it of creating border incidents with India.

PLAYERS ASK SCHEDULE CUT CONSIDERATION

By JACK HAND

Associated Press Sports Writer
WASHINGTON (AP) — The baseball players' request for a reduced schedule in 1963 will be considered by the two major leagues, but there may be a serious disagreement about playing two All-Star games after 1962.

The American League is expected to give serious consideration to the players' suggestion to pare the schedule from 162 games to 153.

National League owners soon will examine drafts of two proposed schedules. One will call for 153 games, or 17 with each other team in the league, and the other will call for the 162 games to be played this season.

AL OPPOSES 2ND TILT

Neither league has a meeting scheduled until December but the National, at least, probably will have a special summer session in August.

The American League took a firm stand against a second All-Star game last December when it reluctantly approved the two games for 1962. It said no request for a renewal would be considered in the future. Apparently there has been no change in that stand.

The National League has an open mind on the subject and might go along with the players' requests. However, both leagues must agree.

The majors have played two All-Star games for the player pension fund since 1959.

SAYS HOSTING GOVERNORS COST \$92,000

HARRISBURG (AP) — A state official estimates that the Governors' Conference last week at Hershey cost the Commonwealth approximately \$92,000 — including a \$7,500 fee to comedian Bob Hope.

The figure was set over the weekend by Deputy Commerce Secretary Harold A. Swens who directed arrangements for the four-day affair. The state legislature allocated \$100,000 to cover expenses.

Swenson said the highest single item of expense would be hotel bills totaling approximately \$25,000.

Not included in the \$100,000 appropriation was the expenses of some 300 state troopers who chaperoned the governors and dignitaries.

The troopers, who worked long hours during the conference, are to receive four days of compensatory time off.

THRONEBERRY CHIEF TARGET OF MET FANS

By JIM BECKER

Associated Press Sports Writer
NEW YORK (AP) — As Marv Throneberry goes, so go the New York Mets.

Generally, that is pretty awful. "Marvelous Marv" Throneberry, as he is known in Polo Grounds circles, is a first baseman who has been described as a poor fielder but a weak hitter.

Ordinarily he's pretty sad in the clutch, too.

Perhaps because these attributes so perfectly match those of the new National League team, which is making a drive for the worst tenth place finish in baseball history, Throneberry has become a sort of symbol of the inept Mets.

MARV'S TROUBLES

All the frustration of the fans is centered on him. His every move, at field, at bat or just standing around holding up the batting cage, is greeted with a soaring chorus of boos.

Marv gives them something to boo about too. Bad as he is, he is also a little unlucky.

Marv has been known to triple with the bases loaded, and forget to touch first base on the way around. He has been picked off first base. A runner has missed a pickoff throw from the pitcher.

A pop fly he called for once fell 15 feet in front of him, just to the left of the pitcher's mound. He has made three errors in one game.

REGULAR TARGET

Ordinarily you can get away with a lot of that sort of thing in the peace and quiet of the league cellar. But the Mets are new, and their fans are wildly rabid. Down 11-1 in the eighth, they chant for a rally. A base on balls, a topped roller and a hit batter can move them to a state of frenzy.

When nothing useful ensues, they turn on Throneberry. He is a handy target because if he hasn't done anything lousy lately, it is usually only a matter of waiting a little while.

Cabinet Shakeup For South Korea

SEOUL, South Korea (AP) — South Korea's ruling military junta announced a shakeup of its Cabinet today, appointing Kim Hyun-chul as premier succeeding Gen. Chung Hee Park. Park remains head of the junta.

Kim was named chairman of the Economic Planning Board and vice premier June 18 when Park took over the premiership.

Park also retained his post as acting president.

Kim was finance minister under former President Syngman Rhee. Park said in a statement the junta had been looking for a suitable man for the premiership and finally decided on Kim, an American-educated economist.

"ALAKAZAM THE GREAT"

SAYS HOSTING GOVERNORS COST \$92,000

HARRISBURG (AP) — A state official estimates that the Governors' Conference last week at Hershey cost the Commonwealth approximately \$92,000 — including a \$7,500 fee to comedian Bob Hope.

The figure was set over the weekend by Deputy Commerce Secretary Harold A. Swens who directed arrangements for the four-day affair. The state legislature allocated \$100,000 to cover expenses.

Swenson said the highest single item of expense would be hotel bills totaling approximately \$25,000.

Not included in the \$100,000 appropriation was the expenses of some 300 state troopers who chaperoned the governors and dignitaries.

The troopers, who worked long hours during the conference, are to receive four days of compensatory time off.

GOODMAN'S "LOW GEAR" SWING OK'D

By REINHOLD ENSZ

MOSCOW (AP) — Benny Goodman says he is satisfied his six-week jazz tour of the Soviet Union was a success—despite some grumbling among members of his band that he played it too cool.

America's "King of Swing" dropped a hint why he kept the swinging in low gear. Soviet authorities were afraid he'd turn young Russians into real cats who might get out of control.

"They read about riots caused by rock 'n' roll and I don't think they wanted any of that," Goodman said. "Strangely enough I was in accord with the Russians. That was the last thing I wanted. I wanted applause from the audience—that was all I wanted."

Speaking at a farewell luncheon for Western correspondents, Goodman disclosed that both American and Soviet authorities had been apprehensive about the tour which was bank-rolled by the U.S. government as a goodwill gesture.

The tour struck a snag that delayed Sunday night's final concert 20 minutes when members of the band demanded to be paid off before going on. There was no explanation for the delay in handing out the paychecks.

CHURCHILL BETTER

LONDON (AP) — Sir Winston Churchill, 87, was able to sit up and read the morning papers today despite some complication in his recovery from a thigh fracture.

Doctors at the hospital where he is under treatment were reported to have stepped up injections to prevent the spread of pleuritis — inflammation of the veins—in the injured left leg. The condition developed on Saturday.

Jockey Manuel Ycaza has ridden in three Belmont Stakes. He shows two thirds and an also ran for his efforts.

ALL-STARS OF BOTH LEAGUES "OUT TO WIN"

By JOE REICHLER

Associated Press Sports Writer

WASHINGTON (AP)—Rival managers Ralph Houk of the American League and Fred Hutchinson of the National League the same sentiments as they led with their aces in the 32nd All-Star baseball game today.

"I'd like to use as many players as possible," said Houk, whose last encounter with a National League rival led to a New York Yankee World Series triumph over the Hutchinson-led Cincinnati Reds. "But the prestige of the American League is at stake. The most important thing is to win. After all, we have lost four of the last five."

"If the players who are good enough to be chosen to appear in the All-Star game," said Hutchinson, "then they should be given an opportunity to play. However, I don't intend to put them in for a token appearance. Only if they are an integral part in winning the game that comes first."

KENNEDY TO ATTEND

President Kennedy planned to be among the 45,015 spectators at the new D.C. Stadium to witness the third All-Star game in the nation's capital. He will be the first president to attend an All-Star game since he late Franklin D. Roosevelt threw out the first ball in the 1937 game here. The Americans won that one, 8-3. The Nationals won the 1956 game in Washington, 7-3.

The game, scheduled for noon, EST, will be carried on network (NBC) radio and television.

Sixty per cent of the proceeds go to the player pension fund. The second game will be played in Chicago's Wrigley Field, Monday, July 30.

The Americans lead in the inter-league summer series, 16-14, with one game ending in a tie.

Houk named Jim Bunning, one of the most successful American League pitchers in All-Star history, to open for the junior circuit. Hutchinson countered with Don Drysdale, who leads the majors with 15 victories.

Bunning, with a 9-4 record for Detroit this season, was the pitching star in last year's two All-Star games when he worked five perfect innings, striking out four batters. He also was credited with the Americans triumph in the 1957 game.

The K. of C. moved to within one game of second place as Jack Gouker pitched and batted his squad to a 5-1 win over the Nailers in a well-played contest.

Gouker collected two-run homer in the first inning which eventually set the stage for the win. The young hurler tossed six innings allowing four scattered hits and striking out 10 batters.

Keeney collected two of the Nailers' four hits and Eckenrode fired excellent ball from the mound.

Four runs in the last of the fifth inning and eight in the sixth gave the American Legion a 12-5 victory over the Elks Monday evening as the league-leaders boosted their margin to two full games.

The Elks jumped out into the lead with three runs in the first inning. Tom McDermitt opened with a walk and Bob Teeter was hit by a pitched ball. Rick Fisel singled, McDermitt scoring. Another single by Richie Fair sent Teeter home and later Fisel scored on a passed ball.

Dane Kennel opened the fifth inning for the Legion by getting on base via an error. Charles Buckley singled and Dave Knox cleared the bases with the first of his two home runs for the game. A pair of errors, walk and fielder's choice enabled Eddie Tilberg to tally the fourth run.

In the top of the sixth the Elks went ahead 5-4 only to have the Legion bounce back with eight runs in their half. Knox's second homer featuring the rally.

Three weeks ago the name Steve Dalkowski wouldn't exactly have set hearts afluttering among fans of the Elmira Pioneers.

The southpaw pitcher was 0-3 and seemed to be sinking about as fast as his hapless teammates who were vying with the Springfield Giants for a solid foothold in the Class A Eastern League cellar.

But things are different today—at least for Dalkowski.

He shut out Springfield Monday night, 1-0, for his fourth straight victory, running his string of scoreless innings to 23. In the last 46 innings he has given up but one run.

In other games, league leading Williamsport beat York, 4-3, as the spectacular Gary Kroll earned his 12th consecutive victory. The Binghamton Triplets edged the Charleston Indians 2-1 in a tight pitcher's duel.

NBA DECIDES ON TERMS FOR STEINBRENNER

NEW YORK (AP)—The National Basketball Association, resuming its meeting over the admission of Cleveland's American Basketball League franchise, appeared ready today to present Pipers' president George Steinbrenner with its terms.

The NBA recessed its meeting late Monday night after a long and reportedly stormy session in which the owners were said to have agreed to the terms that would be presented to Steinbrenner.

It then apparently rests with Steinbrenner to accept or reject the terms that would bring Cleveland and is highly touted star, Jerry Lucas, into the older pro circuit as its 10th member. If Steinbrenner accepts, it likely would mean the end of the one-year-old ABL.

SHARE FOR ROYALS
Steinbrenner, who was in another room of the hotel where the NBA owners met, said after the meeting had recessed Monday night that nothing had been decided definitely.

While Steinbrenner and his staff were watching TV, the NBA was reported to have hammered out terms which would include the payment of a \$300,00

CHURCHMEN TO PICNIC SUNDAY

The annual family picnic of the Men's Brotherhood of St. John's Lutheran Church was held on Sunday afternoon at the Walter D. Shoemaker cottage, near Fairfield. Approximately 75 persons were in attendance. There were games conducted for the children. Other recreation included swimming, boating, badminton, and contests. A basket supper was enjoyed.

The Brotherhood had a brief business meeting. The organization decided to do the space marking for the enlarging of the parking lot at the church. The next regular meeting of the group will be held Monday, August 13.

The Rev. William C. Karns, pastor of St. John's Church, has announced the vacation schedule for Sunday worship services in August as follows: August 5, the Rev. David S. Kammerer, local retired Lutheran minister; August 12 and 26, the Rev. Dr. Jacob M. Myers, professor of Old Testament theology at the Gettysburg Seminary; August 19, Visitation Sunday, no Sunday School or worship; August 18, annual picnic.

Eta Tay chapter of Beta Sigma Phi sorority held its annual picnic for members and their families on Sunday afternoon at the home of Mr. and Mrs. Ray T. Harner, along the Littlestown-Westminster Rd. There were group games and prizes for the children, and softball, badminton and horseshoe pitching for the adults. A basket supper was enjoyed by approximately 40 persons.

The next social event of the chapter will be held Thursday, August 23, when the members and their guests attend the production of "Kismet" at the Painter's Mill Playhouse, Owings Mills.

PHARMACY BD. BEING PROBED

HARRISBURG (AP) — Pennsylvania's controversial State Pharmacy Board returned to the limelight with an investigation of a missing set of licensing examination booklets.

The case was the number one item on the agenda of the board's monthly meeting.

Atty. Gen. David Stahl reported Monday night he has ordered an investigation to determine whether there is anything sinister in the loss of the examination booklets.

Stahl said he ordered Robert West, the Justice Department's chief investigator, to look into the matter as he requests of Dr. Charles H. Boehm, superintendent of public instruction.

The state's licensing agencies come under the jurisdiction of Boehm's department.

Stahl said the examination booklets' loss was reported to Boehm by a New York testing service which prepares the licensing examinations.

Stahl said it was "a little uncertain" just what loss of the booklets meant.

one from the other. It is almost as though the loss of identity were a calculated effort.

Why should that be, when the height of feminine attractiveness is individuality? Is the herd instinct responsible, the fear of being different? Could laziness be the cause? Inertia certainly does keep lots of women from fulfilling both their appearance and personality potentials.

But to be an outstanding lovely, you need not—and indeed should not—be a standout. The call on your energies is really very small. The starting place is self-analysis. Study yourself—your looks and interests, your likes and dislikes.

In the process you will discover much you may not have known about yourself, and you surely will uncover many unique qualities. Then you will be in a position to make the most of your special talents.

Obviously the way to do it is not by imitation, but by adaptation. If you adapt from the world of

fashion and ideas those bits that express y-o-u, your individuality comes into focus.

For full measure, you will have to bring your taste and discrimination into play. Possibly some self-denial. DO, and you will be a woman delightfully different from any other, as indeed you are!

Why we call ourselves pipeliners of energy

Natural gas is too narrow a term to describe our business, even though it still accounts for more than three-fourths of our income. So is refined petroleum products—though we pump millions of barrels of motor fuels, fuel oils, and LPGases to the booming Midwest.

The right word is energy—energy to power and heat and light a growing America. As pipeliners of energy—we are always in search of new sources of energy, as well as new ways to move it, store it, supply it. Potential new forms of energy: liquid natural gas and gasified coal. U.S. IMPORTS GROW FASTER THAN EXPORTS

NEW YORK (AP)—Both U.S. exports and imports have been rising this year to gladden those who preach that increased trade among nations is one of the best ways to solve the world's problems.

But imports into the United States have been rising fast while the increase in exports from it has been slowing down—to the disappointment of those who hope that a faster trade balance would support the outlay of dollars for other U.S. activities and policies abroad.

The Census Bureau reports that in the first five months of 1962 exports were running at an annual rate of \$20.91 billion, some 5 per cent ahead of the like 1961 period. But imports were up 17 per cent to \$16.15 billion a year. The trade surplus of \$4.76 billion compares with \$5 billion for all of 1961.

BALANCE SMALLER

The figures mean this: Last year's surplus wasn't enough to prevent a loss of gold by the United States and the balance this year isn't as big. The trend this year has been to raise imports rather than exports. And U.S. exports to still-booming Europe have not increased as much as expected.

A drive to increase exports had been proclaimed to help eliminate the deficit in international payments that has plagued the United States in recent years. Last year's deficit was \$2.5 billion. This year the deficit has been cut, but it still isn't erased.

The deficit arises because other spending of dollars abroad—for foreign aid, military forces and bases, travel, investment—more than wipes out the \$4 or \$5 billion surplus of exports over imports. And when these annual deficits pile up enough dollars overseas, some of them are turned in for U.S. Treasury gold—and the dollar has periods of weakness on the foreign exchange markets.

BLAME TWO TRENDS

There has been no outflow of gold for the last seven weeks, but the total is \$1.1 billion less than a year ago.

The rise in imports this year can be traced to two trends:

1. Industrial production has been higher than a year ago and U.S. businessmen have been buying more materials.

2. American personal incomes have been higher and there has been an increased market here for imported goods—for a number of reasons, ranging from lower prices through quality and uniqueness to snob appeal.

EXPORTS HIGH, TOO

If exports haven't soared as hoped, they are still high. Part of this is the movement of government-owned farm surpluses, but most of it is goods that a more prosperous outside world has wanted.

Industrialization—first of war-torn Europe and now of newly emerging nations—has taken and is taking much of America's output of machinery, aircraft and technical equipment. Higher personal incomes abroad have furnished markets for the consumer goods that Americans excel in making.

But this year total exports to Europe haven't been increasing, whereas in former years they increased faster than our exports in general.

The trouble with our export-import situation is like that of most of our other problems—the situation is really fairly good; it just isn't good enough.

Budd Strike Talks Adjourned Monday

PHILADELPHIA (AP)—Negotiations to end a four day old strike of some 4,000 Budd Co. employees were adjourned Monday with federal mediators saying some progress had been made.

Commissioner John R. Murray of the Federal Mediation and Conciliation Service adjourned separate sessions with both sides shortly after midnight. The sessions, held concurrently, had lasted 15 hours.

"We made progress, but we are not in the settlement area," said Murray, adding talks would resume later today.

The workers' members of Local 813, United Auto Workers (AFL-CIO), walked off the job Friday in protest over what they said was the firing of 11 union leaders.

The union said the firings followed a walkout of 30 men disgruntled over what they claimed was a violation of seniority rights in shift assignments.

BLOOM CHARGE BRINGS DENIAL

HARRISBURG (AP)—Gov. Lawrence and his secretary of administration issued sharp denials over the weekend to charges that it took some fancy figuring to finish fiscal 1961-62 with a balanced budget.

In separate statements Saturday, Lawrence and Dr. David Kurtzman emphatically denied the charges leveled by Republican State Chairman George I. Bloom. Bloom had accused the administration of performing a "lot of fast fiscal footwork" to balance the budget.

Lawrence countered Bloom's "analysis" of the budget statement released last Thursday was indicative of the "shallowness with which the Republican leadership approached matters of public concern."

Lawrence announced Thursday the state had finished the 1961-62 fiscal year with a \$16.6 million surplus—some \$7.7 million above administration estimates. He entered office in 1959 with a deficit of \$141,900,000 in the state treasury.

Kurtzman said Bloom was not familiar with financial statements such as "the one he is misinterpreting because none had ever been issued" during his days in state government. He offered Bloom the opportunity to review the records "any time he wishes."

MARLOW VIEWS DOUBLE TALK, WORLD CRISES

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP)—It's very busy in the department of knocks, boosts, double talk and utter confusion.

Overnight, Joe Moriarty, a policy racketeer, turned into one of the American banking system's biggest boosters. He has become a reminder to people going away that their money is safer in the bank.

Some workmen, remodeling a garage, found \$2.4 million in the trunk of an old car which used to belong to Moriarty before he went away to a New Jersey prison for a few years.

GRAB MONEY

The government, which said Moriarty owed it a fortune in taxes, grabbed the dough.

Elvis J. Stahr Jr., who just quit as secretary of the Army to become president of Indiana University, called Secretary of Defense Robert S. McNamara probably the best defense secretary in history.

Then he said, in effect, that McNamara has taken too much authority into his own hands.

NUCLEAR WAR

And McNamara, who three weeks ago seemed to be saying this country would not hit Soviet cities in a nuclear war, indicated last week this is not exactly what he meant.

The Pennsylvania conference of the 50 governors couldn't reach full agreement on what ought to be done about civil rights, medical care for the aged, or the Supreme Court's ban on official prayers in public schools.

They finally agreed to be against something, which wouldn't make anybody back home mad at them: they don't want the government to cut down the size of their National Guard.

ALGERIAN STRUGGLE

Two fellows named Ben in Algeria, which only a week ago voted for independence from France, got into a power struggle which may soak Algeria in a new wave of blood.

The two—Premier Yousef ben Khedda and Vice Premier Mohammed ben Bella — don't agree on how to run the country which means they don't agree on which should be the boss.

MESHOPPEN, Pa. (AP)—Edward B. Farr, president judge of the 44th Pennsylvania Judicial District of Wyoming and Sullivan Counties from 1936 until his retirement in 1956, died Sunday in Tyler Memorial Hospital here. He was 86.

Farr, who lived in Tunkhannock had at one time served as district attorney of Wyoming County and as chairman of the Republican Party in the county. He was a graduate of Pennsylvania State University and the University of Pennsylvania Law School.

Survivors include a daughter, Miss Josephine Farr; and four sons, Morris D., Allentown; Atty. Robert E., Mansfield; Atty. John B., Tunkhannock; and Lt. Cmdr. Samuel W. with the U.S. Navy. Funeral services will be Wednesday in Tunkhannock.

ASK TAX CUT

They urged President Kennedy to ask Congress for a tax cut now to boost the economy fast. That's all they agreed on. They disagreed on who should get the biggest cut: the rich or the far-from-rich.

Secretary of Agriculture Orville L. Freeman had just finished telling the Senate his department had gotten rid of any employees known to have accepted favors from Texas promoter gillie Sol Estes.

Then up popped two minor department employees from Oklahoma. They had sworn under oath they received nothing from Estes. Now they told the Senate they got \$1,640 from the Estes outfit in a cotton deal.

They tried to resign but Freeman suspended them. Department officials said this was better than accepting their resignations since it would prevent their future employment by the department.

This probably makes no sense to anyone outside the department.

SEEK END FOR BRAZIL CRISIS

BRASILIA, Brazil (AP)—President Joao Goulart called on Brazil's Chamber of Deputies Monday to approve Francisco Brochado da Rocha as prime minister and end the 13-day-old political crisis which caused rioting that killed 11 persons.

Some deputies were said to oppose Rocha, a provincial official in Rio Grande do Sul State where he is a close associate of left-leaning Gov. Leonel Brizola.

ROONEY RAPS TROUPE TOURS FOR GOODWILL

By JOHN BECKLER

WASHINGTON (AP)—Comedian Joey Adams may have wowed them in Afghanistan but his State Department-sponsored goodwill tour last fall was a flop with a House Appropriations subcommittee.

In fact, the whole cultural exchange program under which performers are sent abroad to win friends for the United States is viewed dimly by the subcommittee, which holds the purse strings for the operation.

Testimony made public Monday on the State Department's request for \$4.1 million to run the program through fiscal 1963—up \$1.2 million from last year—contains pages of hostile questioning of department witnesses.

CALLED SCENARIO

Rep. John J. Rooney, D-N.Y., tart-tongued chairman of the subcommittee, described the papers supporting the budget request as "a scenario." He concentrated most of his attack on the four-month tour of Afghanistan and Southeast Asia by Adams' troupe of 23 performers.

He produced reports from State Department posts in the areas visited by the troupe disclosing bitter feuding among the performers that led to a near fist fight in Saigon between Adams and drummer Buddy Rich.

Max Isenbergh, a deputy assistant secretary in charge of the program, acknowledged under questioning that the department received reports "the conduct of many of the troupe, including Adams, had been damaging."

Isenbergh insisted, however, the personal differences among the troupe were kept offstage and did not interfere with the audience reaction to the show, which he called "excellent."

Rooney retorted there was no way of telling what such shows accomplished, and that anyway, at a total cost of \$256,000, including \$1,200 a week for Adams, the price was too high.

tempt to form a new government since Prime Minister Tancred Neves and his Cabinet resigned June 26 to be eligible under the constitution to run in the October congressional elections.

The crisis has been marked by food riots and a general strike by labor unions demanding a prime minister favorable to their cause.

8 PERSONS DIE IN ACCIDENTS ACROSS STATE

By THE ASSOCIATED PRESS

Eight persons died in accidents on Pennsylvania highways this weekend, two of them in a multiple vehicle crash that injured eight other persons.

A tractor accident killed one man and another drowned pushing the overall accidental death total to ten during the counting period from 6 p.m. Friday to midnight Sunday.

The multiple vehicle crash occurred Sunday on Route 41 12 miles southwest of Coatesville.

Charles Jones, 16, and Robert Janton, 18, both of Chester, were riding in a stock car being towed by a station wagon. The station wagon hit a tractor trailer, snapping the tow bar and causing the stock car to overturn.

VICTIMS ARE YOUNG

A fourth vehicle, an auto carrying four youths, slammed into a guard rail as it approached the wreckage.

The victims included: Mount Pleasant — Walter Ulery, 17, of Rector, Westmoreland County, killed Sunday when his motorcycle hit a tree.

Philadelphia — Victor Orliw, 12, killed Sunday when a car driven by his 16-year-old brother hit a tree.

Wilkes-Barre — Rose Spencer, 17, of Dallas Township, killed Sunday when the car she was in overturned near Lake Cataula.

SWIMMER DROWNS

Uniontown — Charles E. Anderson, 22, Uniontown, and Donald E. Beatty, 28, Hopewood, killed when their motorcycle went off the road on Saturday.

Coatesville — Charles Jones, 16, and Robert Janton, 18, both of Chester, killed Sunday in a triple vehicle crash.

Parker — J. Frank Louge, 89, of Parker, killed Saturday when a tractor rolled forward and crushed him.

Burgess — Joseph Borgan, 47, Munhall, killed Saturday in a two-car crash.

Honesdale — Michael Savage, 52, of Waymart drowned Sunday while swimming off Savage's Landing, a dock he ran at Lake Ladore, Wayne County.

BRENTWOOD, N.Y. (AP)—The telephone rang and John Schuerling ran inside to answer it, leaving his one-year-old daughter, Beverly, alone in the back yard.

She climbed into a small pool and drowned in his absence Sunday.

The call was a wrong number.

VACATION WITH A TENT if you haven't tried it, read this:

Phillips 66 uncovers some interesting facts about the convenience, comfort and low cost of going places with a camping outfit. Learn why more families will be doing it this summer than ever before.

There's a new fraternity of families called tent campers... a fast-growing group of friendly, adventurous persons numbering in the millions. Membership requirements are: (1) a car; (2) tent; (3) stove; (4) sleeping bag; (5) clothes for outdoor living; and (6) the urge to go places.

Many of these camping families take to the roads and woods six or seven times during the summer and fall for weekends and vacations. They return refreshed, and say that camping brings the family closer together.

Campground areas are keeping pace with the new boom in family camping. This back-to-nature movement has stimulated the growth of new campsites, plus vast improvements in present national and state parks and forests as well as privately-owned camp areas. Camping facilities at national and state parks are listed on the new 1962 Phillips 66 highway maps now available at Phillips Stations along your travel route.

A typical campground today offers electricity, running water, rest rooms and showers, plus a variety of recreational facilities including fishing, boating, swimming, hunting and hiking.

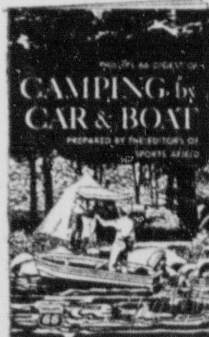

Also, camping is inexpensive, whether you pick the deep woods, the beach or mountains. Fees average around \$1 per day per campsite at state and national park areas. This kind of casual, exciting and

relaxing freedom is a wonderful way to stretch the vacation recreation budget.

Today's campers can also enjoy almost unbelievable comfort and camp convenience with dozens of new gadgets and improved outdoor equipment. For example, new tents have outside frames — no poles or stakes or ropes needed. Car-top camp units unfold into rooms for backwoods luxury. New trailer units, portable generators, special lamps, stoves, and clothing can make camping a luxurious experience.

FUNNYMAN NYE HAS PROBLEMS MAKING MARK

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — "If you want to be a top banana, you've got to start at the bottom of the bunch."

"That was the way the song went in the Phil Silvers show 'Top Banana,' and it is proving true for many a lesser television banana."

Look at the former second bananas who are now making it on their own — Art Carney, now starring on Broadway and in television specials; Carl Reiner, Emmy-winning writer-producer of the Dick Van Dyke Show; Don Knotts, double Emmy winner on the Andy Griffith Show; Howard Morris acting in "Boy's Night Out"; Tom Poston, starring in "Zotz"; and other films. Not to mention Tony Randall, once second fiddle to "Mr. Peepers."

All this leads into today's subject, Louis Nye. One of the funniest men around, he nonetheless had difficulty shaking his rep as second banana to Steve Allen, especially in the guise of the uncouth man, Gordon Hathaway. "Let me tell you, it was rugged," says Louis. "You'd be surprised how many producers would say, 'No, we can't use him—he's too Madison Avenue.'"

The comic, whose agile face can

range from sour to sweet, had to convince them he was not a one-joke performer. He did a night club act in which he played everything from a hipster applying for a loan at a bank to a rich young Arab who doesn't like sand. "I think I finally got over the fact that I can stand on my own two feet," he said. "But there were still people in the audience who yelled 'Give us Gordon Hathaway.' I told them Gordon was dead, poor lad."

As Louis Nye, he is doing fine. He is playing a magician who guillotines Joanne Woodward in "A Woman in July." He'll return to the night clubs with a date in Houston next month. He plans to make a television pilot for Peter Lawford's company. He just finished a guest spot with Jack Benny for a fall show.

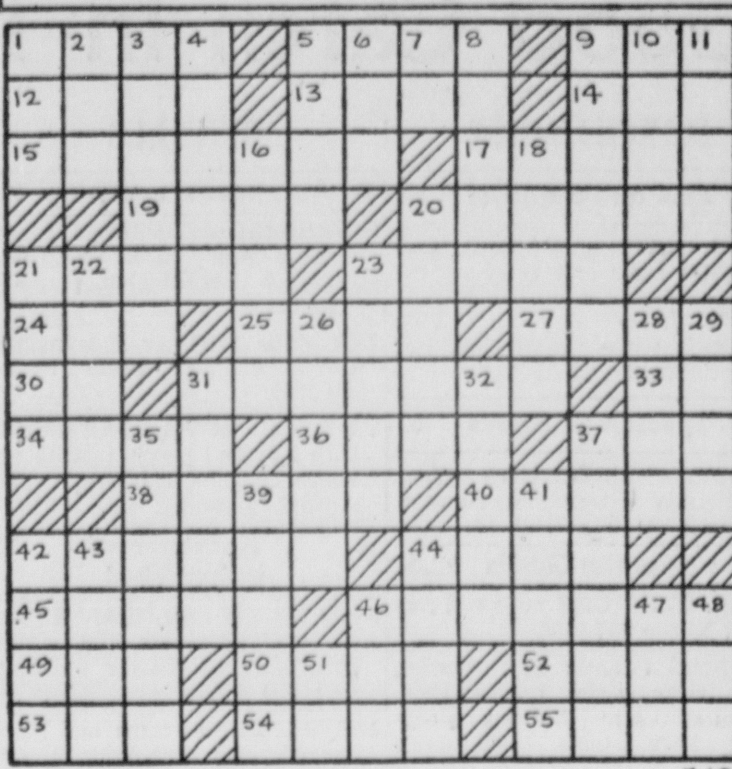

PUSHING APPEAL

PITTSBURGH (AP) — Commissioner Frank J. Burns of Cambria County is pressing his conviction on embezzlement charges to the State Supreme Court. Burns' counsel, Atty. Vincent Casey of Pittsburgh, asked the high tribunal Monday for a chance to reargue the case. The State Superior Court recently rejected a request for reargument.

OK ROSENBERG

WASHINGTON (AP) — Federal Judge Louis Rosenberg of Pittsburgh has received the approval of the Senate Judiciary Committee as a U. S. District Judge for Western Pennsylvania. The committee approved without dissent the nomination of Rosenberg Monday.

HOUSING BAN WOULD CAUSE SERIOUS DROP

WASHINGTON (AP)—A survey of home builders across the country indicates widespread belief among them that a presidential order barring discrimination in federally assisted housing would cause a serious drop in new construction.

The study was made for the National Association of Home Builders by C-E-I-R, a private firm of economic consultants, and its results sent to President Kennedy. Of the 6,000 builders who responded, 42 per cent said the order would cause curtailment of their building plans. Only 1.3 per cent said it would lead to increased construction.

\$3 BILLION LOSS
The association interpreted the findings as meaning about a one-third drop in new home construction and a loss of \$3 billion to \$6 billion, directly or indirectly, in the national output. This was based on expected production this year of 1.4 million houses and apartments.

The builders organization urged

on Kennedy a "major, nationwide educational campaign to lessen misunderstanding and tension" and to foster "community acceptance of changing living patterns."

It said it does not necessarily agree completely with the findings. While campaigning for president, Kennedy criticized his predecessor, Dwight D. Eisenhower, for not issuing such an order. Asked at his news conference last week when he planned to do so, Kennedy said, "I will announce it when we think it will be a useful and appropriate time."

WILLIAMSPORT, Pa. (AP) — Rankin Johnson, president of the Class A Eastern League, said Friday night attendance at the mid-season point is 24 per cent higher than at the same time a year ago. Johnson said that attendance through July 4 showed a gain of 41,530. He said total attendance for the six teams was 213,146 compared to 171,616 on the same date in 1961. The leader is Binghamton.

YOUTH KILLED

GREENVILLE, Pa. (AP)—John Enterline, 14, of Johnstown R. 2, was crushed to death on a rural road near here Monday in a mishap involving a farm tractor and a wagon loaded with hay. State police said the tractor operated by the youth overturned and flipped him beneath the wheels of the wagon, which was being drawn by the tractor.

KILLED IN HELICOPTER

FRANKLIN, Pa. (AP)—A helicopter crash has taken the life of a Johnstown oil official. Cloyd Berkebile of the Berkebile Oil Co. was killed Monday when the helicopter he was piloting plunged into a wooded area shortly after it had taken off from the nearby Chess-Lamberton Airport at Frankfort Berkebile was alone.
